Easter Dawns on War, Religious Conflict

By THOMAS F. HAWKINS
Associated Press Staff Writer

Church bells throughout the Christian world will peal tidings of the risen Christ tomorrow—but to a world torn by war, the thought of war and by religious conflict.

Christ himself, knowingly on the way to his death on the cross, spoke to his disciples of "wars and rumors of wars," of brother that "shall betray the brother," of censure for the church.

And today:

Nations everywhere speeded the pace of armaments.

Civil conflict gripped Spain, brother against brother.

Catholic and Protestant alike were engaged in controversy with Nazi Germany over the question of religious freedom.

Pope Pius XI drafted an encyclical to the Catholics of Mexico, beseeching them to hold fast to the faith in the face of conflict dating back to the Conquistadores of the 16th century.

The Jew, in Poland, in Germany and elsewhere, tread an uneasy path. In the Holy Land of Palestine there was unrest.

In Spain, the church has become an issue in the war—the insurgents professing to be her protector; the government countering certain church property and charging that Catholic priests are fighting against the war.

Pope Pius, preparing to anticipate tomorrow in Easter services in St. Peter's cathedral, within the past two weeks issued his latest exhortation against Communist theology.

He followed quickly with attack upon the Nazi government of Germany, which he charged had taken away the right to control religious education of youth.

German Protestants, too, have differed with Hitler over administration of the German Evangelical church.

The papal message to Mexican worshippers today was for a nation where church conflict long has existed.

In recent years the dispute has centered about an apparently growing Socialist tendency in Mexico, the church fear of Communism.

In the Holy Land, where Christ was born and where he was crucified, armed guards watched over the temples to assure order during the worship of the Jews, with whom the Arab population has battled, the Arabs protesting against Jewish efforts to establish a national home in Palestine.

In the United States and its possessions, tens of millions were prepared to bow their heads before Christendom's symbols in the banked churches while Jews observed the Passover.

Arrest Negro for Knifing Another

Tom Clark, colored, of 570 North Evergreen avenue, wielded a knife again last evening. He was arrested at 3:30 a. m. today by Officers John Powell and John Blau on complaint of Willie Jackson, 28, also colored, who accuses Clark of inflicting a three-inch wound in his neck during the night.

Jackson says he was stabbed by Clark in the latter's home after Clark's wife Margaret slapped him for some remark and he slapped her back.

At a preliminary hearing before Police Magistrate Edward Hoenicke, Clark was ordered held to the county court and released on \$3,000 bond.

ALL CHRISTIAN CHURCHES WILL HAVE SERVICES

Sunrise Devotionals
Glorify Christ's Resurrection.

EASTER SUNDAY

All Christianity pauses tomorrow, Easter Sunday, to celebrate its chief religious festival—the resurrection of the Lord Jesus Christ.

Services in the Evangelical churches will take the form of receptions of new members and baptisms into the faith. In the Roman Catholic churches and those of similar ritual, the communists will participate in the eucharistic sacrament. Hundreds are expected to receive communion at every mass.

The miracle of the rebirth of the Savior into the Kingdom of God will be exemplified in story and song from every pulpit. Specially rehearsed music and profuse decorations of spring flowers and plants will lend an added dignity and purity to a community manifestation of devotion and adoration on this day.

Sunrise Service

Easter observance will begin with sunrise services by the All-City Young People's society at the First Evangelical church and by similar early devotions in several other Protestant congregations. First masses in many Catholic churches begin at 6 a. m.

Special programs in the individual churches include:

An Easter drama, "The Cloth of Sorrow," will be presented at the Sunday evening service of the First Baptist church by the World Wide guild directed by Mrs. Florence Tait. The cast includes Nina Bort, Francis Shourd, Corretta Bray, Charlotte Hilliker, Maxine Chamberlain, Irene Cardou and Allen Beaudoin.

Baptize Many

Seven candidates will receive the baptism rites at 7:30 p. m. in the Immanuel Baptist church. The theme of the Rev. George Hensel's sermon will be "Who Art Thou, Lord?"

"Resurrection or Revolution" is the sermon theme chosen by the Rev. Melbourne I. Johnson, pastor of Trinity M. E. church. The sacrament of baptism will be administered.

At the Central Christian church the cantata, "The Easter Sunrise Song," will be sung by the choir at 7:30 p. m. The Rev. John F. Norman will conduct a candlelight baptismal service one hour earlier.

Easter Drama

An Easter drama at the First Evangelical church, "Life Everlasting," will be given at 4:30 p. m. in connection with a vesper service of sacred music and devotions.

The Church of God, 656 North Harrison avenue, will have sunrise services at 6 a. m. tomorrow. The message theme of the Rev. H. E. Wolfe at the evening meeting will be "If Christ Be Not Risen."

Holy communion at St. Paul Episcopal church will be distributed at 6:30 a. m. and at 10:45 a. m. Baptism service will occur at 3 o'clock in the afternoon.

Presbyterian Church

The Rev. G. C. Whitman's Easter sermon will be on the theme, "Beauty for Ashes in the Era of the Cocktail Lounge." The Presbyterian church will also have special organ and choral numbers at the divine worship service.

On Easter Sunday night, the eleventh annual production of the delightful pageant, "The Dawning," will be presented in the parish house of the First Methodist church by the Methodist players.

Fun Aplenty At Firemen's Ball Monday

Added entertainment for the 21st annual Firemen's ball, which will be held on Monday evening at the Del Rio ballroom, was announced today by Noah Betourne, assistant fire chief who is general chairman of the dance.

Phil Adams will set up his electric organ in the dining room to entertain early arrivals from 7:30 to 9 p. m. after which the dance band will go into action.

Adams, who has been studying music for 19 years and formerly was chief organist at a Gary theater, has arranged a program of favorite melodies ranging from real oldtimers to modern rhythms. He will appear only until 9 o'clock, according to Betourne.

After that hour, Miss Lloydine Wegner, accordionist and singer, will be in the dining room to entertain the merry-makers. Dancing in the main ballroom will continue until 1 a. m.

Advanced sale of tickets indicates that a large crowd will be even larger than last year's. Nine bartenders will serve liquid refreshments under the direction of Oscar Niemier.

Plan Spring Work for All 4-H Clubs

Plans for activities this spring among 4-H clubs of the county were made in a meeting of club representatives last night at Herscher.

Arrangements were made for a club "rally day" on April 12 in the auditorium of Herscher high school under the auspices of the clubs of Kankakee, Herscher, Chebanse, Reddick, Essex and Bonfield. There will be stunts by members, a demonstration by the Reddick team, talks by county club leaders, games, recreation, refreshments and an address by Ray Benbow of the University of Illinois.

Leaders of the clubs sponsoring this activity are Russell Shlimmin of Kankakee, A. J. Christensen of Herscher, Olive Rasmussen of Chebanse, George Pfeiffer of Reddick, Mrs. Helen Kane of Essex and Ernest Kukuck of Bonfield.

Arrangements also were made for a basketball tournament among 4-H club teams of Reddick, Herscher, Kankakee, Momence, Manteno, Chebanse and Bonfield in the Herscher gymnasium the evenings of March 31 and April 1.

EVERY WALK OF LIFE INCLUDED ON G.O.P. TICKET

Professions, Labor and Business are Represented.

FOR TOWNSHIP

The William H. Maitland ticket of candidates for Kankakee township offices to be elected on April 6 is a popular, harmonious and meritorious unit, with all of the candidates pledged to the same laudable principles and policies, all of high character, integrity and ability, with an understanding kindness for those unfortunate people who must receive aid from their township officials.

This is true from the top of the ticket to the bottom, from William H. Maitland, the candidate for supervisor, to the candidates for justices of the peace and constables.

This roster of candidates represents the entire township geographically and politically, so that when these candidates are elected no section or district of the township will be without direct representation in township and county government.

It recognizes every walk of life, for on the ticket are business men, clerks, laboring men, factory workers, some are in professional life, several are ex-servicemen.

Not Political Group

It is in a literal sense a community ticket which goes beyond political lines. The men upon it are not there because they belong to this faction or that clique but because they are genuine community leaders taking an interest in civic affairs, willing to do their duty as citizens and taxpayers and anxious that this duty be done with honesty and accomplishment.

All of them are popular, widely known, prominent in their respective spheres of activity. All are progressive, neighborly sort of men, courteous and sympathetic with their fellow citizens. They are candidates because they are interested in a high type of government in their home community so that there may be a maximum of public service in return for a minimum of public expense.

Carefully Selected

Such tickets of candidates not merely "happen" and neither did this one. It was carefully selected by the township Republican committee in their capacities as elected representatives of the voters and the men placed upon the ticket are there because there are reasons for it.

They were chosen because of their honesty and high character, their leadership and fitness, because they represent every portion of the township and because, if elected, they will be a credit to themselves and the people who elected them.

Lack of time and space does not permit an individual description of the qualifications and merits of the several candidates for constables and justices of the peace. The Republican committee, however, is glad to recommend these candidates to the people and refers the voters to the acquaintances of the candidates for confirmation of their good qualities and merits.

Relayed Message

Word of the Volunteer's plight was received by Globe wireless here in a relayed message from the liner President Harrison. The freighter said water was "out of control" in number one hold and the pumps not functioning properly.

The message also was picked up by the Empress of Canada, sailing west from Japan.

Coast guard headquarters in Seattle heard the Volunteer was listing.

The Volunteer reported she was 840 miles from Yokohama. Japan. The Fresno City said it would reach the stricken craft about 3 p. m. (est.) today.

Globe wireless said the volunteer probably was damaged in a mile-a-minute gale which swept the Pacific ocean two days ago. No storm was reported today.

The Volunteer left New Orleans February 7 and cleared Honolulu March 15 for Kobe and Osaka.

The Volunteer, owned by the U. S. shipping board, is a ship of 7,117 gross ton and 410 feet long. She was built at Alameda, Calif., in 1918 by the Bethlehem shipbuilding corporation.

U. S. Crew Safe

The 30 crew members of the ill-fated motorship Filian, after being tossed about for 20 hours on the ocean, were safely aboard the Japanese freighter Kinshu Maru today.

Ask Damages For Wear and Tear on Chickens' Nests

The "wear and tear" upon a nest when a chicken lays eggs within it is one of the matters to be considered by Justice L. D. Ullom when he decides a suit now under advisement.

The suit is by Del George, owner of a farm south of Kankakee, against Dahl Rask and Louis C. Laurison, proprietors of the Kankakee Butcher company who rented the farm for some two years. The farm owner asks damages of \$345.75.

The plaintiff claims that the defendants failed to comply with an agreement to restrain hogs from entering the chicken coops and from rooting up the pastures. He claimed that considerable damage was done by this alleged failure.

One of the witnesses, being questioned as to the durability of chicken nests was asked, "The nests last a long time, don't they?" The witness answered, "Yes, they ought to last for 40 years, there is not much wear and tear from laying eggs."

Woman Badly Hurt By Car At Crossing

Mrs. Mary Pietraszewski, about 50 years old, of 610 North Chicago avenue was seriously injured while walking across Court street at the Indiana avenue crossing shortly after 10:30 o'clock this morning.

The woman was walking north in the pedestrian lane and was caught between two vehicles going in opposite directions.

Driving west was Fred West of 1085 Maple street, while Bob Misto of 1312 East Chestnut street, was headed east in a truck of the Kankakee Poultry company.

Mrs. Pietraszewski walked into the West auto in avoiding the vehicle behind her. She was knocked to the pavement against the wheels of the truck. The woman was unconscious when picked up by police and removed to St. Mary hospital.

She was believed to have a broken leg and hip as well as head injuries, the exact nature of which were not determined. She suffered severely from shock.

Boston, March 27.—(AP)—The Boston chapter of the medical bureau, friends of Spanish Democracy, said today it had been informed by cable the American hospital near Albacete, Spain, was bombed last night by a rebel plane. The cable added that 17 American doctors and nurses were uninjured but gave no further details.

The cable, sent by Miss Mildred Rackley, assistant to Dr. Edward K. Barsky, said it was the second rebel attempt to destroy the hospital.

Weather Man Says Easter To Be Snappy

Chicago, March 27.—(AP)—Cloudy and "abnormally cold" weather for Easter Sunday throughout Illinois was forecast today by Meteorologist C. A. Donnell.

Temperatures ranging from 15 above in the northwest part of the state to 26 at Cairo, the warmest spot, prevailed today. The skies were cloudy but except for slight flurries, no snow fell.

Donnell predicted there would be little change in these weather conditions tomorrow, he said. The temperature probably would be about 15 degrees below normal.

Clifton Man Has Costly Accident in City Last Night

Roland Kuhn of Clifton might have got off cheaper last night if he had called a tow truck for his stalled automobile into town instead of hailing a passing motorist to give him a push.

Today, as a result of damages to the auto of F. L. Nolan of 1738 West 77th street, Chicago, who offered him assistance, Kuhn finds himself with a bill for \$17.85.

The warrants will not be served, however, if he mails Nolan a check for \$17.85, the amount of the damages to Nolan's car caused when Kuhn stopped short at the Jeffery street crossing of the I. C. tracks and Nolan's vehicle rammed into his.

Kuhn at first refused to make any sort of settlement, according to police who were called to the Close Motor service, 150 East State street, where the disabled cars were taken. Both drivers were brought to the station at 11:30 p. m. last evening.

After considerable arguing and consulting the advice of Assistant State's Attorney Victor Lauridsen, they made peace terms. Nolan signed the warrants which are to be served if Kuhn fails to mail him a check by April 2.

Nothing but routine matters awaited Judge Hunter in court this morning.

WARD COMPANY TAKES 40 YEAR CORNER LEASE

Remodelling Cost Is Said to Be Too Expensive.

GELINO BLOCK

The possibility that Montgomery Ward & Company may erect an entirely new building at the southeast corner of Court street and Schuyler avenue to replace the one now existing is revealed in a supplementary lease entered into between the company and the Swannell estate, owner of the property.

The supplementary lease states that "the alterations, additions and improvements in and to the premises which the lessee may from time to time make as provided in said lease may include the raising of all or any part of any buildings standing upon premises and they may also, if the lessee so elects, include the erection of a new structure on said premises."

Leased Until 1976

The new agreement also extends the term of the lease to Aug. 30, 1976 or 40 years from the date of the original lease, the term of which was to Aug. 30, 1936.

B. F. Moleschue, manager of the company's branch store here, said this morning that he has no definite information as to the company's intention with the property, whether the company will proceed with its original plan to remodel the existing structure, or to erect a new one.

Remodelling Expensive

He said that so far as he knows, the building will be remodeled. Unconfirmed reports, however, are that when bids for remodeling were received this week by the company the cost indicated was \$60,000 or more so that company officials began to consider whether the additional cost of an entirely new building would be warranted.

This possibility was apparently the purpose of the company in negotiating for an extension of the lease for an additional 20 years. The supplementary lease, provides, however, that this extension may be cancelled on June 30, 1956, the date of expiration of the original lease, if the company gives a year's notice in advance.

Signers on Lease

As on the original lease, the signers for the Swannell estate on the supplement are Fred O. Swannell, Charles E. Swannell, Arthur Swannell, Kate S. McKinney, William Swannell and F. Sherwood Wheaton.

"GREEN LIGHT" OPENS SUNDAY AT PARAMOUNT

Special Attraction for Big Easter Engagement.

"Green Light" best-selling novel for two years, written by Lloyd C. Douglas, author of "Magnificent Obsession" opens Easter Sunday at the Paramount theater for a three-day engagement.

Errol Flynn, the young Irish star who made such a sensational success with his first starring role, "Captain Blood," and followed it with another smash hit in "The Charge of the Light Brigade," has the role of Dr. Newell Paige, a young surgeon who sacrifices his career to save that of an older doctor.

Co-starred with him is the lovely Anita Louise as Phyllis Dexter, for whose mother's death Paige has assumed the blame. The two meet at the home of Francis Ogilvie (played by Margaret Lindsay), a nurse who devotes her life to Paige, and fall instantly in love. But when Phyllis finds out who he is she refuses to see him again. Dean Harcourt (played by Sir Cedric Hardwicke) is a cleric with a broad and beautiful philosophy of life, and confidante of these three young people. Through him Phyllis is made to realize that Paige is innocent and she finally goes to him in the Rocky mountains, where he is risking his life in the search for a vaccine that will control the dreaded spotted fever.

Arriving there she finds him desperately ill. He has injected himself with the deadly virus. All through his illness, he insists on keeping a case history which will be valuable to other research men he should die. He recovers, however, and with his recovery makes a valuable contribution to science. Meanwhile the older doctor clears Paige's name, and reunited at last, he and Phyllis are married.

How a girl may love a man, even though she blames him for the death of her mother and how another girl can love that man so well that she sends him to the arms of her rival, are but two of the many unusual situations in which Errol Flynn, Anita Louise (left) and Margaret Lindsay find themselves in "Green Light," the Cosmopolitan production based on Lloyd C. Douglas' famous book, which opens at the Paramount theater on Sunday.

Victor McLaglen Stars in Epic of U.S. Coast Guard

Riding the swirling waves of adventure and romance, Victor McLaglen as chief bosun's mate in the U. S. Coast Guard and Preston Foster as his rival score a bull's eye in stellar entertainment in "Sea Devils" which opens Sunday at the Luna theater.

Sharing spotlight honors with McLaglen and Foster in this thrilling vignette of an unsung but heroic branch of the government service is Ida Lupino with Donald Woods heading the supporting cast. Seaman Foster, a globe-girdling

adventurer, no sooner joins the crew of McLaglen's ship, than trouble starts between the two. Boasting of his prowess with the weaker sex, Foster begins courting McLaglen's daughter, Ida Lupino. Foster is about the last man in the service McLaglen would choose as a son-in-law, but it happens that his daughter has a mind of her own, so McLaglen initiates a bitter feud with the sailor. Terrific combats between this pair of Titans vie with thrilling rescues from storm-battered ships as dramatic highlights of this action-crammed photoplay.

Using the United States Coast Guard Cutter Tahoe and its crew a perilous rescue of passengers from a burning vessel is effected, and later other lives are saved from a hurricane-grounded boat, in which full beach equipment, including surf boats, a Lyle gun, a breeches-buoy and other apparatus, is brought into play in a revealing demonstration of life-saving technique.

An authentic reproduction of coast guard procedure was assured by the retention of Lieutenant H. C. Moore as technical advisor throughout the production.

Outstanding in supporting roles are Gordon Jones, Helen Flint, Pierre Watkin, Murray Alper and Billy Gilbert.

Frank Wead, a former lieutenant-commander in the U. S. navy, and John Twist are credited with the story and screen play along with P. J. Wolfson.

JANE WITHERS AND GREAT CAST HERE ON SUNDAY

Majestic Theater To Feature Juvenile Actress.

Laughs from the land of cotton, songs with southern charm and Harlem pep and romance under the moonlight and magnolias highlight Jane Withers' "Can This Be Dixie?" opening Sunday at the Majestic theater.

Slim Summerville heads the outstanding cast which supports "Ginger." Jane including Helen Wood, Thomas Beck, Sara Haden, Claude Gillingwater and Donald Cook.

The picture opens with Slim and his niece, Jane, putting on a medicine show for the darkies on Claude Gillingwater's run-down plantation. They are selling a hair-straightener which goes over big, but the darkies have no money with which to purchase it. Gillingwater saves Slim and Jane from the sheriff and they in turn, save him from Donald Cook, who holds a mortgage on the plantation which he threatens to foreclose unless Helen Wood, Gillingwater's granddaughter, marries him.

There appears on the scene Thomas Beck, a young northern lawyer, and he and Helen go for each other in a big way. Gillingwater expects to recoup his fallen fortunes by winning the forthcoming \$50,000 Derby with his racehorse, Stonewall Jackson. But Cook orders the sheriff to attach the horse. Jane persuades Slim to draw a phony check on the "Bank of England" for a supposed interest in the horse, which Cook accepts.

In order to raise money to cover the check Jane takes the plantation darkies to New York where they click on an amateur program.

To raise money to enter the race horse, the plantation house is turned into an eating place with fine southern food and featuring Gillingwater's famous juleps. But Stonewall Jackson loses the race and Cook starts his foreclosure. In the nick of time Jack arrives with a northern millionaire who wants to sell the juleps in cans. He pays Gillingwater an advance of \$10,000. Just how this arrangement works out provides a tuneful and hilarious finale.

An authentic reproduction of coast guard procedure was assured by the retention of Lieutenant H. C. Moore as technical advisor throughout the production.

Outstanding in supporting roles are Gordon Jones, Helen Flint, Pierre Watkin, Murray Alper and Billy Gilbert.

Frank Wead, a former lieutenant-commander in the U. S. navy, and John Twist are credited with the story and screen play along with P. J. Wolfson.
